- ERS - is made up of the Lloyd's underwriters who have insured you under this contract. Each underwriter is only legally responsible for their own share of the risk and not for any other's share. You can ask us for the names of the underwriters and the share of the risk each has taken on
- Excess - a contribution by you towards a claim under this insurance
- Market value - the cost of replacing your vehicle with another one of the same make, model and specification and of similar age, mileage and condition at the time of an accident or loss

Note: Please ensure the value shown on the schedule is reviewed annually as this may affect the amount paid in the event of a claim.

What to do if you need to make a claim

Helpful notes

Nobody likes having to make a claim. But by following these two simple steps you can make sure it goes smoothly:

- Tell us about the claim as soon as you can (If applicable, please call us from the scene of the accident if it's safe to do so)
- Take photographs of any damage to the motorcycles involved

Claims helpline – 0345 602 3381

- Call this number if you want to report an accident, fire, theft
- **We're open 24 hours a day, 365 days a year.** Our expert staff will take down the details, and help you get back on the road as soon as possible
- If your claim is due to theft, attempted theft, malicious damage or vandalism, you should also notify the Police and obtain a crime reference number

- A market-leading customer experience
- A specialist team to handle your claim
- A network of approved suppliers to get you back on the road quickly
- Fraud prevention to keep your premiums low

Repairing your motorcycle

If your insurance covers damage to your motorcycle, we can talk you through the options for getting it repaired.

We'll take care of everything:

- If your motorcycle can't be ridden we will arrange for roadside recovery
- We'll collect the insured motorcycle from you and deliver it back to you after the repairs
- Repairs will be carried out by a garage in our approved repairer network, provided that's the best option for you.
- An expert claim handler will manage your claim for you

We want to get you back on the road as soon as possible.

Keeping your motorcycle safe

Please make sure your motorcycle is locked and the keys are in a safe place.

Your insurance won't cover loss of your motorcycle or its contents by theft or attempted theft, or if it's been taken by an unauthorised person if:

- It was been left unlocked (if locks are fitted to your motorcycle) or
- It was left with the keys (or any form of keyless entry / ignition control device), in or on it or
- Reasonable precautions were not taken to protect it

There are a few simple steps you can take to try to reduce the amount of any claim against you, and to protect yourself against fraudulent claims.

Don't apologise or admit it was your fault.

Make sure to take the other person's details, including:

- Their name, address and contact number
- The registration number and make and model of their vehicle
- Their insurer's name and policy number

Take photos of:

- Any damage to their vehicle
- Any damage to your own motorcycle
- The scene of the accident, as long as it's safe to do so

Make a note of:

- Any injuries to anyone involved
- The number of passengers in the other vehicle
- The name, address and contact number of any witnesses
- The name and number of any police officer who attends the scene of the accident
- Any unusual behaviour from the other person and the direction they take when they leave the scene

Section 1 – Liability to others

Riding your motorcycle

We will provide insurance for any accident you have while you are riding, using or in charge of your motorcycle or while you are loading or unloading it.

We will insure you for all amounts you may legally have to pay for causing death or injury to other people.

The most we will pay for property damage is £20,000,000 for any claim or claims arising out of one incident.

We will pay up to £5,000,000 for any costs and expenses arising out of a claim or claims arising from one incident

If there is a property damage claim made against more than one person covered by this insurance, we will first deal with any claim made against you.

Riding other motorcycles

We will also provide the cover shown above (if this is shown on your certificate of motor insurance and your motorcycle has an engine size of 351cc or more) to ride any motorcycle that you do not own and have not hired under a hire purchase or leasing agreement, as long as you have the owner's permission to ride the motorcycle.

You are not insured against:

- Any loss or damage to the motorcycle you are riding
- Any event which happens outside of the United Kingdom
- Any legal responsibility if you no longer have possession of the insured motorcycle
- Any event which happens when this insurance is not in the name of an individual person
- Any legal responsibility unless the motorcycle is insured against third party road risks in its own right or
- Securing the release of a motorcycle that has been seized by or on behalf of the police or any public or local authority

Other people riding or using your motorcycle

In the same way you are insured, we will also cover the following people.

Any person you allow to ride or use your motorcycle, as long as this is allowed by your current certificate of motor insurance and has not been excluded by an endorsement, exception or condition.

Any passenger who causes an accident while travelling in or getting into or out of the insured motorcycle, as long as you ask us to cover the passenger.

Legal personal representatives

After the death of anyone who is covered by this insurance, we will deal with any claim made against that person's estate, as long as the claim is covered by this insurance.

Business use

If your certificate of motor insurance allows business use, we will insure your employer or business partner against the events shown above under 'Riding your motorcycle' while you are working for that employer or partner, but not while using a motorcycle provided by the employer or partner unless that motorcycle is shown in the schedule.

Legal costs

In respect of any event which is covered under this section, if we first agree in writing, we will arrange and pay:

- Solicitor's costs if anyone we insure is represented at a coroner's inquest, fatal accident inquiry or court of summary jurisdiction
- The costs for legal services to defend anyone we insure against any prosecution arising from any death and
- All other legal costs and expenses we agree to

The most we will pay for legal costs is £35,000 for any claim or claims arising out of one incident.

Emergency medical treatment

Where we must provide cover under the Road Traffic Act, we will pay for emergency medical treatment that is needed after an accident involving any motorcycle which this insurance covers.

This cover only applies in the United Kingdom and where we must provide it under the Road Traffic Acts.

Towing

Under this section we will insure you while any motorcycle covered by this insurance is towing a trailer (as allowed by law).

We will only provide this cover if:

- The trailer is properly secured to your motorcycle by towing equipment made for the purpose and
- The method of towing the trailer stays within the manufacturer's recommended towing limits and any other relevant law

We will not pay any claim arising from:

- Loss of or damage to the towed trailer
- Loss of or damage to any property being carried in or on the towed trailer
- A trailer being towed for reward
- Towing more than the number allowed by law or
- If more than one trailer is being towed at any one time

Cyber Liability Cover

We will pay any amounts you may legally have to pay subject to the limits stated under Section 1 for causing death or bodily injury to other people, or property damage, due to:

1. The use of, or failure of, any application, software or programme in connection with your vehicle (including any driver assistance, safety or security systems);
2. Any computer virus, ransomware, code or software affecting any electronic systems fitted to your vehicle by the original vehicle manufacturer;
3. Any threat, deception or hoax relating to 1 and/or 2 above;

subject to the terms, conditions, limitations and exclusions of this policy.

Exceptions to Section 1

This section of your insurance does not cover the following:

1. Anyone who can claim for the same loss from any other insurance
2. Loss of or damage to property belonging to (or in the care of) anyone we insure and who is making a claim under this part of the insurance
3. Death of or bodily injury to any person arising out of and in the course of their employment by the policyholder or by any other person claiming under this insurance. This does not apply if we need to provide cover due to the requirements of relevant laws
4. Any legal responsibility, unless we need to provide the minimum insurance required by the Road Traffic Act, for claims for death, injury, illness, loss or damage to property arising directly or indirectly from pollution or contamination unless caused by a sudden identifiable unintended and unexpected event

This exception:

- Relates to contamination or pollution caused directly or indirectly by any substance, liquid, vapour or gas leaking or being released and
- Includes contamination or pollution of any building or other structure, water, land or the air

We will not pay for claims arising directly or indirectly from contamination or pollution if it is caused by any substance, liquid, vapour or gas being deliberately released or leaks caused by the failure to maintain or repair your motorcycle, or any part of it.

5. Death, bodily injury or damage arising as a result of loading or unloading your motorcycle somewhere other than on the road by anyone apart from the driver or attendant

Section 2 – Loss of or damage to your motorcycle

This cover only applies to your motorcycle

We will insure your motorcycle against loss or damage (less any excess that applies) caused by:

- Accidental or malicious damage, flood damage or vandalism
- Fire, lightning, self-ignition and explosion or
- Theft or attempted theft, or taking your motorcycle away without your permission

For a claim under this section we will, at our absolute discretion either:

- Pay for the damage to be repaired
- Pay an amount of cash to replace the lost or damaged item or
- Replace the lost or damaged item

The most we will pay will be either:

- The market value of your motorcycle (including its accessories) immediately before the loss up to the value shown on your schedule, or if it applies, the agreed value shown on your schedule or
- The cost of repairing your motorcycle

whichever is less.

We will not pay the cost of any repair or replacement which improves your motorcycle or accessories to a better condition than they were in before the loss or damage. If this happens, you must make a contribution towards the cost of repair or replacement.

We will not pay the VAT element of any claim if you are registered for VAT.

Excesses

If an excess is shown on your schedule, you have agreed to pay that amount for each incident of loss or damage.

If more than one motorcycle is insured on your policy and they are involved in the same incident, the excess shown on your schedule will apply to each motorcycle separately.

Recovery and redelivery

After any claim under this section we will pay the cost of moving your motorcycle from the place where the damage happened to the premises of the nearest competent repairer. We will also pay the cost of delivering your motorcycle back to you in the United Kingdom after repair.

Do not try to move your motorcycle yourself if this could increase the damage. If unnecessary damage is caused as a result of your attempts to move your motorcycle, we will not pay any extra cost arising from that damage.

All arrangements for storage of a damaged motorcycle must be agreed by us. If you arrange storage without our prior knowledge and consent we will not pay any extra cost arising from that arrangement where this is greater than the cost we negotiate with our approved supplier.

Repairs

If your motorcycle is damaged in any way which is covered by this insurance, you should contact us immediately. We can, if you wish, organise for our approved repairers to repair your motorcycle.

If your motorcycle cannot be ridden safely, you should allow us the opportunity of moving it to the premises of an approved repairer or repairer of your choice if previously agreed by us.

If repairs are completed without our prior knowledge and consent this may affect the amount we pay in final settlement of your claim. In all circumstances, anyone conducting repairs to an insured vehicle should retain the following for our inspection:

- A fully costed estimate
- All damaged parts and
- Images of the damaged areas of the insured vehicle

If you fail to provide all requested information, documentation and evidence of claim damage, we reserve the right not to pay for damages under this Section.

We may arrange for your vehicle to go to a repairer of our choice if we cannot reach an agreement with your chosen repairer over costs.

Wherever possible we will use genuine manufacturer's (or manufacturer's recommended) parts. Where these are not readily available, we may use recycled or non-original parts and equipment when repairing your motorcycle.

Total loss (write-off)

If the cost of repairs to your motorcycle is greater than the market or agreed value of the motorcycle we will offer you an amount as compensation. The insurance for your motorcycle will end when you accept that offer.

You may keep the salvage if your motorcycle is over 20 years of age.

You will not receive a premium refund if your insurance ends due to a total loss claim. If you pay your premium under the instalment plan, the amount you owe for the year's premium will be taken from the claim payment.

If the motorcycle belongs to someone else, we will normally pay an amount for the total loss of the motorcycle to the motorcycle's legal owner.

If there is any outstanding loan on the motorcycle, we may pay the finance company first. If our estimate of market value is more than the amount you owe them we will pay you the balance. If our estimate of the market value is less than the amount you owe, you may have to pay them the balance.

If your motorcycle is leased or on contract hire, we may pay the leasing or contract hire company first. If our estimate of the market value is more than the amount you owe the leasing or contract hire company, the amount we pay them will settle the claim. If our estimate of the market value is less than the amount you owe you may have to pay them the balance.

Once payment has been issued the motorcycle becomes our property for disposal.

When your motorcycle is being serviced or repaired

The cover provided under this section will still apply when your motorcycle is being serviced or repaired. While your motorcycle is in the hands of the motor trade for a service or repair, we ignore any restrictions on driving or use (as shown in your certificate of motor insurance).

Dismantled parts

We will pay up to the value of your motorcycle for dismantled parts kept in a locked building at the address shown on your proposal form or statement of facts, or another address agreed by us.

Cherished number plate

If, as a result of a valid total loss/theft claim under this policy, you are totally and irrevocably deprived of the use of the cherished registration number attached to the insured motorcycle, we will pay (up to a maximum of £10,000) the amount equal to the value determined by a member of the Cherished Numbers Dealers Association.

We will not be liable for losses occasioned by or happening through any of the following scenarios:

- Your permanent disqualification from driving
- Confiscation, seizure or detention by Customs or other officials or authorities
- If you or any company you are associated with is in liquidation or bankrupt

Should the number be re-issued by the DVLA, the entitlement to use the number will transfer to us.

Exceptions to Section 2

This section of your insurance does not cover the following

1. The amount of any excess shown on your schedule
2. Any amount as compensation for you not being able to use the insured motorcycle (including the cost of hiring another motorcycle)
3. Wear, tear and depreciation

5. Your motorcycle's value reducing, including loss of value as a result of damage, whether the damage is repaired or not.

(This exception does not apply where any applicable part or accessory is no longer commercially available from the motorcycle manufacturer or their agents in the United Kingdom)

14. Loss of or damage to your motorcycle resulting from a member of your immediate family, or a person living in your home, taking your motorcycle without your permission, unless that person is convicted of theft

General terms

Extra matters to bear in mind

These general terms apply to the whole insurance

No claim bonus

Where the insurance uses a No Claims Bonus (NCB) scale for the purposes of rate setting, this will be indicated under the “vehicle details” section of your schedule.

For each claim during a single period of insurance, the No Claims Bonus available at renewal will be reduced in accordance with our current step-back procedure scale.

If more than one vehicle is covered by this insurance, we will assess the no claim bonus as if each vehicle was insured separately.

Providing there have been no prejudicial claim(s) (a claim for which we have been unable to make a recovery; excluding windscreen claims), in the current period of insurance; we will give you a further years no claim discount, as long as the insurance has been in force for 12 consecutive months.

The price of your insurance policy may increase following an accident even if you were not at fault.

You cannot transfer your no claim bonus to another person.

Number of Years NCB	Average NCB Discount in year	Average PNCB Cost
0	0%	N/A
1	15%	N/A
2	25%	N/A
3	33.33%	N/A
4	40%	N/A
5+	50%	10%

Protected no claim bonus (PNCB)

PNCB is only available subject to the appropriate premium being paid and you having earned 5 or more years no claims bonus. If your policy includes PNCB, this will be shown on your schedule.

No claims bonus protection does not protect the overall price of your insurance policy. The price of your insurance policy may increase following an accident even if you were not at fault.

No claims bonus protection allows you to make one or more claims before your number of no claims bonus years falls. Please see the step- back procedure (below) for details.

If your NCB at renewal is 4 years or less, you will not be able to protect your NCB for the forthcoming period of insurance.

Step-back Procedure	No Claims Bonus at next ERS renewal date <u>without</u> NCB protection				No Claims Bonus at next ERS renewal date <u>with</u> NCB protection

General conditions

What we expect for your cover to be valid

These general conditions apply to the whole insurance

Your responsibilities

Your premium is based on the information you gave at the start of the insurance and when it is renewed.

You are responsible for the information you or your appointed representative has provided to us. You should ensure that the information provided is, as far as you know, correct and complete.

If you have failed to give us complete and accurate information, this could lead to us changing the terms of your policy, refusing your claim or the insurance not being valid.

You must, if requested, provide us with all relevant information and documentation in relation to this insurance.

The motorcycle must have an MOT (unless exempt), be taxed, insured and registered in the UK where required and you must:

- Take all reasonable steps to protect your motorcycle from loss or damage
- Maintain your motorcycle in a roadworthy condition and
- Let us examine your motorcycle at any reasonable time

If the above requirements are not met, we may reject or reduce your claim, and/or cancel your policy or declare your policy null and void.

Changes to your details

You must tell us immediately about any changes to the information you have already provided. Please contact RH if you are not sure if information is relevant. If you don't tell us about relevant changes, your insurance may not cover you fully, or at all.

Here are some examples of the changes you should tell us about:

- A change of motorcycle (including extra motorcycles and any temporary motorcycles)
- All changes you or anyone else make to your motorcycle if these make your motorcycle different from the manufacturer's standard specification (whether the changes are mechanical or cosmetic)
- A change of address

- A change in the purpose for which you use your motorcycle

- Details of any motoring conviction(s), disqualification(s) or fixed-penalty motoring offence(s) of any person allowed to ride or of any prosecution(s) pending (where a case is being investigated but there is no conviction yet) for any motor offence
- Details of any non-motor conviction or prosecution pending (where a case is being investigated but there is no conviction yet) for any person allowed to ride

Claim notification

After any loss, damage or accident you must give us full details of the incident as soon as possible.

You must send every communication about a claim (including any writ or summons) to us without delay and unanswered.

You must also tell us if you know about any future prosecution, coroner's inquest or fatal accident inquiry involving anyone covered by this insurance.

You must give us any information, documentation and help we need to help us deal with your claim. We will only ask for this if it is relevant to your claim.

You are required to notify us of a claim within 72 hours of its occurrence. If you fail to do this, or otherwise prejudice our position, we reserve the right to seek recovery of any additional costs incurred due to your action or failure to act.

Claim requirements – rights and obligations

If a claim is made which you or anyone acting on your behalf knows is false, fraudulent, exaggerated, or provides false or stolen documents to support a claim we will not pay the claim and cover under this insurance will end.

If there are a number of claims for property damage arising out of any one cause, we may pay you up to the maximum amount due under section 1. (We will take from this amount any amounts we have already paid as compensation.) When we pay this amount, we will withdraw from any further action connected with settling these claims. We will cover any legal costs and expenses paid with our permission, up to the time we withdraw from dealing with the claims.

You must not admit to, negotiate on or refuse any claim unless you have our permission.

We can:

- Take over, carry out, defend or settle any claim and
- Take proceedings (which we will pay for, and for our own benefit) to recover any payment we have made under this insurance

We will take this action in your name or in the name of anyone else covered by this insurance.

You, or the person whose name we use, must co-operate with us on any matter which affects this insurance.

If we refuse to provide cover because you have failed to provide information or provided incorrect information, but we have a legal responsibility to pay a claim under the Road Traffic Acts, we can settle the claim or judgment without affecting our position under this policy. We can recover any payments that we make from you.

If you fail to provide all requested information, documentation and evidence of claim damage, we reserve the right not to pay for damages under Section 2 of this policy document.

Compulsory Insurance laws

If, under the law of any country which this insurance covers you in, we must settle a claim which we would not otherwise have paid, we may recover this amount from you or from the person who made the claim.

Arbitration

If we accept your claim, but disagree with the claim amount, the matter will be passed to an independent arbitrator (to whom we must both agree). When this happens, the arbitrator must make a decision before you can start proceedings against us.

Cancellation

“14 days cooling off period”

If this insurance does not meet your needs, you may cancel it, without giving reason, by contacting RH within 14 days of the policy start date and declare your requirement to cancel.

If any claim has been made in the current period of insurance, you must pay the full annual premium and you will not be entitled to any refund.

Important notices and information

Data Protection Notice

This section contains important information about your personal details. Please make sure to show it to anyone covered by the policy and ensure they are aware that their personal details may be provided to us.

IQUW Syndicate Management Limited is the data controller in respect of your personal information. We will process the details you have given us **in line with the UK's Data Protection laws and any other laws that apply**. We may work with partner organisations and service providers who are located in other countries, and as a result your information may be processed outside the European Economic Area. In all cases we will make sure that your information is adequately protected. Any transfers of personal information outside Europe will be subject to the provisions of the US Privacy Shield, standard contractual clauses approved by the European Commission or other contracts which provide equivalent protection.

You can find more information about how we use your personal information on our website: www.ers.com/policy-pages/privacy-policy

Where we collect your personal information

We might collect personal information about you from:

- You
- Your family members
- Your employer or their representative
- Other companies in the insurance market
- Anti-fraud databases, sanction lists, court judgement and similar databases
- Government agencies such as the DVLA and HMRC
- The publicly available electoral register
- In the event of a claim, third parties including the other party to the claim, witnesses, experts, loss adjusters, legal advisers and claims handlers

How we use and disclose your personal information

To assess the terms of your insurance contract, or to deal with any claims, we may need to share information like your name, address, date of birth and details such as medical conditions or criminal convictions. The recipients of this information could include (but are not limited to) credit reference agencies, anti-fraud databases, brokers / reinsurance brokers, other insurers / reinsurers, underwriters and other group companies who provide administration or support services. For claims handling, the recipients could include (but are not limited to) external claims handlers, loss adjusters, legal and other expert advisers, and third parties who are involved in the claim. More information about these disclosures is set out below.

ERS purchases reinsurance to protect against the most significant claims made against motor insurance policies issued. Should such a claim arise under this contract of insurance, ERS reserves the right to disclose to its reinsurance broker and reinsurers, the details of the claim, including all personal and special category data related to the claim. That disclosure is necessary for the management of any reinsurance claim made by ERS and this practice of spreading risk is standard practice in the insurance market.

The Data Protection laws classify information about your medical conditions, disabilities and criminal convictions as **'special category' personal data which warrants extra protection**. We will only share this kind of personal data where it is essential to administer your insurance contract or deal with any claims, or for anti-fraud purposes and will only be used in accordance with appropriate laws and regulations.

Most of the personal information you provide to us is needed for us to assess your request for insurance, to enter into the insurance contract with you and then to administer that contract. Some of the information is collected for fraud prevention purposes, as described below. If we need your consent to use any specific information, we will make that clear at the time we collect the information from you. You are free to withhold your consent or withdraw it at any time, but if you do so it may impact upon our ability to provide insurance or pay claims. Further details about the legal basis for our processing of personal information, and the disclosure we may make, can be found on our website:

www.ers.com/policy-pages/privacy-policy

Accepting and administering your policy

If you pay your premiums via a credit facility, we may share your information with credit reference agencies and other companies for use in credit decisions, to prevent fraud and to find people who owe money. We share information with other insurers, certain government organisations and other authorised organisations.

Insurance underwriting

We look at the possible risk in relation to your prospective policy (or anyone else involved in the policy) so that we can:

- Consider whether to accept a risk
- Make decisions about providing and dealing with insurance and other related services for you and members of your household
- Set price levels for your policy
- Confirm your identity to prevent money laundering
- Check the claims history for you or any person or property likely to be involved in the policy or a claim at any time. We may do this:
 - When you apply for insurance
 - If there is an accident or a claim or
 - At the time you renew your policy

Profiling

When calculating insurance premiums, we may compare your personal details against industry averages. Your personal information may also be used to create the industry averages going forwards. This is known as profiling and is used to ensure premiums reflect risk. Profiling may also be used to assess the information you provide so we can understand risk patterns.

Special categories of personal data may be used for profiling where this is relevant, such as medical history or past motoring convictions (including motoring offences).

We may also make some decisions (for example about whether to offer cover or what the premiums will be) without any intervention by our staff. These are known as automated decisions. You can find out more about how we make these decisions on our website: www.ers.com/policy-pages/privacy-policy. See also “Your Rights” below.

Motor Insurance Database (MID)

Information about your insurance policy will be added to the Motor Insurance Database (MID) which is managed by the **Motor Insurers’ Bureau (MIB)**. **Certain government or authorised** organisations including the Police, DVLA, DVLNI, Insurance Fraud Bureau and other organisations allowed by law may use the MID and the information stored on it for purposes including:

- Continuous Insurance Enforcement (you can get information about this from the Department of Transport)
- Electronic vehicle licensing
- Law enforcement for the purposes of preventing, detecting, catching or prosecuting offenders and
- Providing government services or other services aimed at reducing the level of uninsured driving

If you are involved in a road-traffic accident (either in the UK, the EEA or certain other territories), insurers or the MIB (or both) may search the MID to gather relevant information. Anyone making a claim for a road-traffic accident (including their appointed representatives and citizens of other countries) may also gather relevant information which is held on the MID.

It is vital that the MID holds your correct registration number. If it is not shown correctly on the MID, you are at risk of having your vehicle seized by the police. You can check that your correct registration number details are shown on the MID at askmid.com.

Managing claims

If you make a claim, we may need to release information to another person or organisation involved in that claim. This includes, but is not restricted to, others involved in the incident, their insurer, their solicitor or representative and medical teams, authorised repairers, the police or other investigators. We also may have to investigate your claim and conviction history. This may involve external claims handlers, loss adjusters, legal and other expert advisers.

Under the conditions of your policy, you must tell us about any incident (such as an accident or theft) which may or may not result in a claim. When you tell us about an incident, we will pass information relating to it to Insurance Database Services Limited (IDSL).

Call recording

You should note that some telephone calls may be recorded or monitored, for example calls to or from our claims department, customer services team or underwriting department. Call recording and monitoring may be carried out for the following purposes:

- Training and quality control
- As evidence of conversations
- For the prevention or detection of crime (e.g. fraudulent claims)

Preventing or detecting fraud

We will check your information against a range of registers and databases for completeness and accuracy. We may also share your information with law enforcement agencies, other organisations and public bodies.

If we find that false or inaccurate information has been given to us, or we suspect fraud, we will take appropriate action. If fraud is identified, details will be passed to fraud prevention agencies including the Claims Underwriting Exchange Register and the Motor Insurance Anti-Fraud and Theft Register run by Insurance Database Services Limited (IDSL). Law enforcement agencies may access and use this information.

We and other organisations, including those from other countries, may also access and use this information to prevent fraud and money laundering, for example, when:

- Checking details on applications for credit and credit related or other facilities
- Managing credit and credit related accounts or facilities
- Recovering debt
- Checking details on proposals and claims for all types of insurance
- Checking details of job applicants and employees

Details of the registers, databases and fraud prevention agencies we use may be requested from the Company Secretary at:

ERS Insurance Group Limited, 21 Lombard Street, London, EC3V 9AH

Cheat line

To protect our policyholders, we are members of the Insurance Fraud Bureau (IFB). If you suspect insurance fraud is being committed, you can call them on their confidential cheat line on 0800 422 0421.

Retention

We will keep your personal data only for as long as is necessary for the purpose for which it was collected. In particular, we will retain your information for as long as there is any possibility that either you or we may wish to bring a legal claim under or relating to your insurance, or where we are required to keep your information for legal or regulatory purposes.

Your rights

You have rights under the Data Protection laws including the right to access the information we hold about you (subject to any legal restrictions that may apply), to have the information corrected if it is inaccurate, and to have it updated if it is incomplete.
