**NB:** In Years 11-13, students choose their activities from a selection. Some activities may require students to make a small payment (e.g. to attend the gym) or have specialist items of clothing/equipment (e.g. a towel for the gym). Students will be informed of this before they select their activities.

**\* The School's official outfitters are the only stockist of these items.**

**NB:** Students will take part in at least two Physical Education lessons a week, so please consider this when deciding the amount of each item of uniform to purchase.

In view of the price of cricket equipment, we do not expect boys to purchase full kit unless they represent the School.

Only the regulation tracksuit is acceptable for school use. The Fulneck tracksuit is required in PE lessons and when representing the school in sports fixtures.

**Pupils should at all times keep their appearance clean and tidy. Extremes of hairstyle and colour are not acceptable. Cosmetics and jewellery (including ear studs) are not allowed except for Sixth Form pupils. All uniform and possessions to be clearly named.
