Section 9 – No claims bonus

If a claim has not been made

If a claim has not been made against this policy in the current period of insurance on an annual contract, we will apply a discount on your renewal premium for the next period of insurance which is known as a no claim bonus (please note this does not guarantee that your overall premium will be less than the previous period of insurance).

Your no claim bonus entitlement is not transferable to any other person.

If a claim has been made

If a claim has been made against this policy during the current period of insurance, we will reduce your no claim bonus entitlement as per the applicable scale below:

If your no claim bonus is NOT protected:

NCB level before a claim	NCB level at next renewal following:	
	1 claim	2 claims or more
9	7	0
8	6	0
7	5	0
6	4	0
5	3	0
4	2	0
3	1	0
2	0	0
1	0	0
0	0	0

If your no claim bonus IS protected:

Protecting your no claims bonus does not mean that your premium will not increase following a claim. If you have paid for this option and it is shown in your policy schedule, your no claim bonus entitlement (as at last renewal) is protected unless more than two claims are made against this policy within four continuous periods of insurance. If more than two claims have been made within this four year continuous period then your no claim bonus will be reduced as per the scale below:

NCB level before a claim	NCB level at next renewal following:			
	1 claim	2 claims	3 claims	4 or more claims
9	9	9	7	0
8	8	8	6	0
7	7	7	5	0
6	6	6	4	0
5	5	5	3	0
4	4	4	2	0

If an incident occurs after we have confirmed your renewal premium but before the expiry date of the current period of insurance, we are entitled to take back any additional discount given to you if a claim is made and also reduce your no claim bonus entitlement in accordance with whichever of the above scales apply.

Please note that this is a no claim **not** a no blame bonus. If an incident occurs where another party is responsible and we have to make a payment, your no claim bonus entitlement will be reduced at next renewal in accordance with the applicable scale above unless we successfully make a full recovery of our losses from those responsible, or your no claims bonus is protected.

Motor Insurance Database

Information relating to your insurance policy will be added to the Motor Insurance Database (MID) which is managed by the Motor Insurers' Bureau (MIB). The MID and the data stored on it may be used by certain statutory and/ or authorised bodies including the police, the DVLA, the DVANI, the Insurance Fraud Bureau and other bodies permitted by law for purposes not limited to but including:

- ⊗ Electronic licensing;
- ⊗ Continuous insurance enforcement;
- ⊗ Law enforcement (prevention, detection, apprehension and/or prosecution of offenders);
- ⊗ The provision of government services and/or other services aimed at reducing the level and incidence of uninsured driving.

Fraud prevention

In order to keep premiums as low as possible for all of our customers, we participate in a number of industry initiatives to aid the prevention and detection of crime, especially insurance related fraud. We pass information to the Claims and Underwriting Exchange Register and the Motor Insurance Anti-Fraud and Theft Register operated by the Motor Insurers' Bureau (MIB). We may search these registers and any other relevant databases in order to make decisions regarding the provision and administration of insurance and, when you make a claim, to validate your claims history or that of any person or property likely to be involved in the claim.

If you are involved in a road traffic accident (either in the UK, the EEA or certain other territories), insurers and/or the MIB may search the MID to obtain relevant information. Persons (including their appointed representatives) pursuing a claim in respect of a road traffic accident (including citizens of other countries) may also obtain relevant information which is held on the MID.

It is vital that the MID holds your correct registration number. If it is incorrectly shown on the MID you are at risk of having your vehicle seized by the police. You can check that your correct registration number details are shown on the MID at www.askmid.com.

As part of our anti-fraud processes, information will be passed to third party credit reference agencies for the purposes of identity verification only. As part of the identity verification process, your information will be checked against a range of databases/registers and a 'soft footprint' will be left on your credit file for a period of 12 months. Unlike standard credit checks, soft footprints do not affect your credit score and you are the only person who can view them on your credit report.
